**Subject:** Phase 3 Proposal Clarification  
**Date:** Friday, July 29, 2016 4:02:02 PM

---

To all:

The Rockslide Team would like to clarify that the Phase 3 proposal includes some scaling of the rock face for safety and removal of the rocks from the roadway so the road can be re-opened. Once the rocks are removed, the road face will need some repairs which will immediately follow the removal of rock. We just wanted to assure all of you that the proposal is not just rock face mitigation but re-opening the road barring any unforeseen event.

Thank you.
