Subject: Rockslide update
Date: Wednesday, July 26, 2017 12:05:18 PM

Greetings to everyone and good news! As many of you have probably seen, Hi-Tech work crews have been at the rockslide area bringing in equipment to begin the work on rock removal. Crews are continuing to mobilize equipment today, with work to begin Thursday morning, July 27th.

We are sending out a reminder to everyone that this will be extremely dangerous so please take care when out on the road near the rock slide area.

Thank you all for your patience.

Dennis Shupak, Commissioner DShupak@stillwater.mt.gov
