

**STILLWATER COUNTY
ROAD & BRIDGE DEPARTMENT
2016/2017
SNOW REMOVAL PLAN**

Superintendent: Mark Schreiner
Foreman: Randy Werdal
Call Office for assistance: 322-5335

NOTE:

- * All requests for Assistance are to be directed to the Office 322-5335. Ask for Mark Schreiner or Randy Werdal.
- * Normal snow plowing shall be conducted during daylight hours between 5:00 a.m. and 5:30 p.m., four days per week.
- * During heavy snowfalls of three inches or more, the Road Department, at the discretion of management, shall start employees at 5:00 AM to facilitate snow removal on school bus routes.
- * School bus routes with 3 inches of snow will be plowed. Other roads will be plowed as needed after 6 inches of snow fall on the roadway. Sanding will be done as needed.
- *The Road Department will not plow snow during high winds unless it is an emergency.
- *The Road Department will not be liable for any fence damage that occurs to fences which lie within the County's right-of-way.
- *The Road Department will not be liable for any mail boxes knocked over or damaged due to snow being plowed. However, the Road Department will replace any mail boxes which are physically hit by the Department's snow plows.
- * Safety is of paramount importance. Operators shall use caution while plowing snow and will never jeopardize their own, or the public's safety.
- * Operators shall not be required to operate more than 16 consecutive hours.
- * Operators shall check equipment often for wear and maintenance.
- * Contact with the Road Department is essential.
- * During Snow Removal efforts, each operator will contact the Road Department every two (2) hours.
