

Stillwater County Solid Waste District Roll-Off Box Rentals Rate

Pre-Payment for Roll-Off Box Rental

For non-established contractors/customers who have no account history with the Solid Waste Department and/or have had past due notices on accounts and/or have outstanding charges with the Solid Waste Department, shall pre-pay the cost of a roll-off box before the box will be delivered.

The pre-payment will include round trip mileage fee, estimated daily rental fee and dump fee. The City of Billings Landfill fee and other fees, (tires, corrected daily fees, etc.) will be charged to the contractor or added to the pre-payment cost of a second box it needed.

It is the policy of Stillwater County Solid Waste Department to refuse the delivery of a roll-off box unless pre-payment is received prior to delivery.

28 Cubic Yard Roll-off box -\$1.25 per mile (from Solid Waste Shop round trip)
Dump Fee.....\$225.80
Box Rental.....\$3.50/day
**Landfill Fee.....\$21.00/cubic yard (or current City of Billings
