Introductions

Minutes were approved as submitted

DES: Save the date, May 7&8, 2018 for NWE Mystic Dam Exercise in Red Lodge.

Stillwater River Flood Stage change to increase by 6 inches as explained by Tom Frieders of NWS at the September 2018 meeting. Motion was made, seconded and passed unanimously to approve change.

E-911: Siegfried reported that the D-Mark move went well and all equipment is up and running.

Siegfried also reported that all dispatchers will be trained in EMD and it will be implemented on November 4, 2018.

LEPC: Sheriff Brophy was not present to discuss SERC.

Only one person was present who is on the by-laws subcommittee, therefore no by-laws meeting.

PHEP: Sailer advised that flu shots are available at the clinic and the pharmacy.

Road

Names: None at this time.

Communication: Pronovost updated the group on the Molt paging issue. Molt is now receiving pages and their radios are working well. They still have an issue with the cell phone paging.

Reminder of IPAWS national test today at 1218 hours.

Fire Warden: We are now off of Stage 1 Fire Restrictions, as is all of the state.

Other: Cowger discussed the train derailment last week and how well it was handled by all including MRL.
