No Pledge to the flag, no flag in room
Introductions were made, welcome to the guests
Minutes were approved as submitted.

DES: Code Red and IPAWS are fully authorized and IPAWS will be implemented when all users are trained through an on-line training course. Code Red has been used in the past.

The next LEPC meeting will be at the courthouse on May 2, 2018 at 0730.

E-9-1-1 Jennifer Siegfried reported that there was a planned power outage at the Shane Ridge repeater site yesterday and the generator did activate and there was no interruption with the repeater.

LEPC Nothing

PHEP Natasha reported that the hospital will be receiving \$10,000.00 for a community type project. Bill Pronovost inquired if the AED project would qualify, she will check into it. Natasha also reported that the Hazmat debriefing last week went well.

Road names None

Communications Bill reported that the ELERTS webinar had to be cancelled on March 13 due to a winter storm on the East Coast. The webinar will be on April 17th at 0900. An email has been sent to those involved with this project.

Fire Warden Burn permit system is up and is monitored daily

Discussion Bill brought up that we need another training exercise for the year. He suggested a hazmat incident, possibly a table-top.

Charlie Hanson reported that there was a training exercise in Billings last week (Complex Coordinated Attack) which went very well.

Meeting Adjourned at 8:00am
