Pledge to the flag

Introductions were made, welcome to the guests

Minutes were approved as submitted.

DES: Bill contacted MRL and will let us know when he hears back from them on the crossing east of town.

We did pre-planned for several subdivision for Code Red.

E-9-1-1 Jen has been working to get the D-Mark moved. The in house system will work and Jen is working on getting the ani/ali the biggest thing is it can't get wet.

LEPC After the train derailment exercise one of the things that came up was a lack of access across the railroad. They took out the "Griffel" crossing so we are blocked in. The recommendation was to write a letter to MRL and see what we need to do to get another crossing in.

PHEP Natasha is working on functional needs group and is starting to incorporate it into her plan. She will start bringing it to this group.  
We have 1 confirmed case of rabies in a bat. There is West Nile in the state and it is moving east.

Road names none at this time

Communications we will have a meeting after this meeting

Fire Warden Rich reported there has been 3emac requests. The state to state request the resources went to California. National level is 5 and Northern Rockies is 3. DNRC is doing severity staffing in our stations this is for quicker response...

Discussion Jerry Friend the County is mowing the roadways and do some preventive maintenance.  
The mine let us know they will have a lot of contractors down at the smelter the next few months.  
The airport runway is closed for the next 2 weeks for work.

Meeting Adjourned at 8:30am
