Introductions were made

Minutes were approved as submitted

DES: Rich attended the after action review from the I-90 closure. How do we get key people in like hospital staff? Jacob said the second closure went ok. Communication is still an issue, he also feels we need to be more prepared and pre-planning. Let businesses know like Town pump and McDonalds when it is closed. Can we push the closure back to Laurel?  
Can DOT give us an advanced warning if this is going to happen?

The Sheriff's office along with DES will be hosting a Workplace violence preparation and response workshop on February 2-3. Jan 18 will be a "kick-off" county will call out.

E-9-1-1 the call taking equipment upgrade is still in the works.

LEPC
