Pledge to the flag

Introductions were made, welcome to the guests

Minutes were approved as submitted. Randy made motion and Chip seconded.

DES: Bill reported that it looks like we will have some flooding in the county. He will watch the stream levels. Tom reported with the snow pack, warm days but cooler nights we should be ok. If it

warms up day and night that is when we will be flooding. He also reminded us the keep livestock and equipment away from the banks.

Bill is working on the next ESP he will be sending it out and any comments please send to him before the next LEPC meeting.

Bill is updating the EOP he will be sending out the ESF for the LEPC review. If he doesn't get any response by the next meeting that will tell him it is approved my members.

Laurel Ambulance Service has requested our frequencies. It has been decided that issues like this will be brought to the LEPC for a vote. Randy made a motion Jerry seconded to approve them having our frequencies.

Next meeting with be at 927 E 4th Ave N. They will send out directions.

NWS Billings is having a weather workshop in Livingston and everyone is invited.

Carbon County is applying for a SHSP grant for an Incident Traffic Control Trailer and is asking for a letter of support. We can request this trailer through mutual aid. Carol made a motion and Jerry seconded.

E-9-1-1

LEPC

PHEP

Natasha reported yesterday they had an earthquake exercise for public health and hospital. She also reported we have influenza in the county and 1 death in Yellowstone County.

Road names

None

Communications

The road Dept is looking at the Rapelje and Big Coulee area to see what they can do for better communications. Bill has requested from NWE has the site and we can't put anything up there. He is still going to see what other options we have.

Fire Warden

Burn permit system is up and is monitored daily

Discussion

Columbus Fire has used our new sign on every call out from this last snow storm. They said it worked great. We will be keeping

the DES trailer but will be doing some updates. We also will be getting a $\frac{3}{4}$ ton pickup to pull it.

The mine is working on a new date for the exercise that was postponed last spring. David will have some date for the next meeting.

Meeting Adjourned at 8:30am
