Introductions were made, welcome to the guests

Minutes were approved as submitted.

DES: Carol has asked if anyone needs the IC800 class. Charlie has been asked to put on a class on December 13, Columbus Fire Hall. Please let Carol know if you are interested. There is a

CERT meeting in Helena, Carol will be attending for Stillwater County.

Thank you to Kevin for reporting the hazmat spill they had at the mine.

- E-9-1-1 nothing at this time
- LEPC Carol went over the suggested changes for the Rural Address Policy. The 2 changes are price, who pays for replacement numbers, and reflective or can be seen day or night from the road. Carol mad the motion and Leslie seconded it. Carol will get it on the Commissioners agenda for approval.
- PHEP Leslie reports there is a foot & mouth out brake in the county. If they still have blisters they are still contagious.
- Road names update on Short Rd in Pinecrest. On the plat but not in the 911 system. Short road will be added to the 911 system.
- Communications Communication committee following meeting
- Fire Warden Burn permit system is up and will be monitored daily
- Discussion Steve from Beartooth health care said they have new standards and he has been doing a table top exercise for shelter in place. The one thing he needs to do now is a community's based exercise for shelter in place.
Charlie explained the CERT meeting will be in November 6 & 7 in Helena.
Leslie let us know they will be doing a hospital pod exercise.
We welcomed Brad Kimble, safety supervisor from CHS pipelines & terminals, MLGPA.
Mark from R&B asked everyone to keep an eye for any road damage and please report to them.
