DES: Save the date, May 7 & 8th will be the NWE exercise for Mystic Dam in Red Lodge. The 7th is the table top and 8th is the full scale.

- E-9-1-1 Jen has been working to get the D-Mark moved, it will be moved September 25th at 5:30am.
Next week Jen and Cliff are meeting with the Fire Districts to talk about how they want the EMD paged out.
Jennifer asked how the auto aid is working. It sounds like it is working well the few time they have had to use it.
The state has received our PSAP certification and we will now receive the funds.
- LEPC The State Emergency Response Commission (SERC) has received our LEPC membership and activities paperwork.
Cliff wants to have a short By0Law subcommittee meeting after this meeting.
- PHEP Natasha reported she is working on her state report.
They are looking at having a Mumps, measles, and Rubella exercise (MMR) in November.
Watch for Rabies cases and follow.
Natasha is working on truck wrecks and county protocol, please read her doc and let her know of any changes.
- Road names none at this time
- Communications Sim Table has been upgraded and is working.
The RFP for the radio contracts will be re-posted for another 2 weeks. Bill has 1 bid so far.
- Fire Warden we are in Stage 1 fire restrictions, the recommendations are from our county chiefs.
- Discussion Tom gave us a weather prediction and they are thinking of warmer, dryer and windy for the next couple of months.
Tom also explained the purposed Stillwater River flood stage change. This will be on next month's agenda for a vote.

Meeting Adjourned at 8:30am
