## **Caslen Meadowlark Assisted Living Facility Sees Increase in Covid-19 Cases**

**Columbus, MT** – As of 10:00 a.m. today, 1 additional positive Covid-19 case has been associated with the outbreak in Caslen Meadowlark Assisted Living Facility in Columbus. This brings our total confirmed cases to 105 for Stillwater County residents, and 48 active cases, that will be reflected on the state of Montana COVID-19 case map tomorrow, October 9, 2020.

The Caslen Meadowlark Assisted Living outbreak has resulted in one death and one resident remains hospitalized in and out of county hospital at this time.

Stillwater Billings Clinic, as well as the Montana Department of Public Health and Human Services, continues to be in close contact with Caslen Meadowlark Assisted Living Facility in Columbus, assisting in the ongoing management of the outbreak.
